**SUPPLEMENTARY INFORMATION:** NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration – from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration – a network of stakeholders and partnerships advancing national priorities for ocean exploration.

**MATTERS To Be CONSIDERED:** The OEAB will receive an overview and implications of the FY22 National Defense Authorization Act; be briefed on the status of the Ocean Exploration Cooperative Institute; identify and develop meaningful performance indicators for the national Ocean Exploration program; discuss ideas for incentivizing data operability across the Ocean Exploration community; and, propose a set of recommendations to improve data availability among government, commercial, academic, and philanthropic entities.
